Greetings,

As the Ohio Alliance of Black School Educators (OABSE), we aim to move from thinking about the greatest problems affecting education for all children to understanding and solving them. Tomorrow's challenges demand innovative and unconventional approaches that cross or dissolve the boundaries to achieve equity for disadvantaged black children.

The collaborative work and supportive efforts of OABSE members give our students a transformative experience within the schools they serve by helping them develop career-ready skills, as well as a sense of social responsibility and a commitment to serve others.

OABSE wants to take the time to invite administrators, teachers, parents, students, educational support staff and all concerned parties with an opportunity to gather together. It is our pleasure to invite you to the 1st Annual Conference for the Ohio Alliance of Black School Educators on Saturday, April 6, 2018 at the **Hyatt Regency in Columbus, Ohio.** The pre-conference/registration and sign-in is scheduled to begin at 9:00 am and the conference will begin at 10:00am.

Our topics consists of:
Cultural Competency and Awareness
Mental Health and School Services
Diversity, Equity and Inclusion
Using Data to DRIVE instruction
Using BEST Practices to Improve Instruction
Family and Parental Engagement: Making Home VISITS count

Following the conference, the Ohio Alliance of Black School Educators will be hosting its **Sixth Annual Administrator Appreciation and Student Recognition Banquet.** During the banquet we would like to honor Exemplary Ohio School Administrators from each of the affiliate areas and school districts across the state of Ohio. This is a great opportunity to showcase excellence in leadership in the state of Ohio at a state function.

Finally, we invite you to take some time to visit our website, oabse.org, and learn more about the latest initiatives, expertise of the members, and upcoming events. Even better, we encourage you to attend an affiliate event in person, to meet other like-minded educators and be inspired by the innovation, ambition, and creativity you will find. If you have additional questions, please contact the subcommittee to accept this invitation (oabse.org). Please confirm by March 1, 2019.

Hotel reservations can be made **Located in:** Greater Columbus Convention Center (OABSE Group)
Address: 350 N High St, Columbus, OH 43215

Thank you in advance for your cooperation,
